About Me

I am a curious and enthusiastic individual, eager to learn about the mysteries of the world through the lens of science. Exploring every aspect of life will teach me valuable lessons and contribute to my overall growth. Along with these learnings, I strive to hone my skills and work hard to achieve the dreams I envision for the future, contributing to science, driving innovation, and helping our country advance through knowledge. With dedication and perseverance, I aim to create solutions that improve lives and make the world a better place.

Skills

- Leadership
- Communication
- Creativity
- Critical Thinking
- Professionalism
- Problem Solving
- Collaboration

Education

Elementary

Taguig Integrated School

2012-2019

I attended this school from grade 1 to grade 6, proceeding to junior high school. I engaged in academic and extracurricular activities such as poster making that honed my skills in creativity, problem-solving, communication, and collaboration in group work.

Junior High School

Taguig Integrated School

2019-2023

I attended the same school from elementary, proceeding from grade 7 to grade 10. I engaged in academic activities such as group work that honed my skills in leadership, critical thinking, and problem-solving. Moreover, I graduated with Honors

Senior High School

Monlimar Development Academy, Inc.

2023-2025

I attended and completed my Senior High School education from grade 11 and grade 12 at this school, graduating with High Honors. I acquired valuable knowledge and experiences from this institution that enhanced both my academic and personal development.

Experience

School Organization Internal Vice President

Guild of Enthusiastic Mathematicians and Scientists

2024-2025

- Led and managed a team focused on creating content and captions for the organization's official Facebook page.
- Assisted in organizing and facilitating events such as the STEM-atic Cinema Booth and Lab to Life Booth.

School Organization Member

Consortium of Science and Mathematics Enthusiast

2023-2025

- Helped facilitate and participated in organizing events for the organization, including the Scie-Math Fair for the institutions' 18th founding anniversary.

4th Placer & Champion

Battle of The Genius Geeks (2023-2025)

2023-2025

- Participated in the Battle of the Genius Geeks (2023), securing 4th place with the team through hard work and excellence. In 2024, with a new team, we claimed the championship with brilliance.

4th Placer

Battle of The Witz (2023-2024)

2023-2025

- Participated in the Battle of the Wits, showcasing general knowledge in Social Science, ICT, and Filipino while demonstrating resilience through challenges in the quiz bee.

Debate Team Leader (2024-2025) Conquistador

- Led a debate team to compete in Ad Meliora's Debate Competition, fostering and showcasing leadership and communication skills among members.
- Was awarded the titles of "Best Debater" and "Best Speaker," showcasing strong public speaking skills.
